

STUDENT MINISTRY

Tiki Broome

Please join us in welcoming our new interim Student Minister, Tiki Broome. Tiki graduated from Clinton High School in 2013. He went on to Hinds Community College and received an Associates in Psychology. He then continued on to Mississippi College where he received a B.S. in History and a B.A. in Christian Studies. He teaches History, as well as, serves as Chaplain at Mt. Salus Christian School in Clinton. On top of that, he serves as the Head Coach for eSports at Hinds Community College. In his spare time, he is obsessed with golfing and working on cars. One of his greatest passions in life is grilling/smoking meat. Odds are if he posts on social media, it will be some kind of meat he's grilled or smoked. But most of all, he loves people. Tiki has an extrovert heart and people keep him going. Our students absolutely love him and we are so excited to see how God uses him during this transition time.

Wow! Welcome back! We are so glad we are back in the swing of things. It's such an honor to lead and walk with your students. This semester is really about to kick off. We have Generate right around the corner! So, if you feel led to give towards our students being able to attend, the cost is \$280 per student. We are really excited to see what the Lord is going to do this semester in the lives of our students. It's essential that we are consistent in praying for our students. They need it! As we kick off spring semester, I would love for you all to partner with me in praying for our students; that they would grow in their walks and learn to love and lead and exemplify Christ in every way. Buckle up! It's going to be great! -TIKI

FEBRUARY 2020 • VOLUME 5 • EDITION 2

Hey FBC Yazoo City Church Family,

Grace and peace to you in the name of Jesus Christ our Lord! On behalf of Dawn, I want to thank you for the blessing and opportunity to serve as your interim pastor, and for the loving way you have welcomed us to your family of faith. Our goal is to press forward in seeing FBCYC continue to do the ministry that Bro. Clint, your wonderful staff, and you as a church family have been doing. We also want to prayerfully start the process of seeking and finding the next pastoral leader that our great God has for you, and make sure there is a strong foundation for him to come in to when God calls him to FBCYC. I will give my best to try to accomplish these important goals for the glory of God, and to honor the trust you have given me to share this interim time with you.

You have a great staff here at FBCYC and it has been a joy and blessing to work with them. Please be in prayer for John, Ken, Jessica, Tiki, and others as they so faithfully serve and lead during this transition time. Also be in prayer for and support all your leadership here at FBCYC, including the Leadership Team, the Deacons, the various Ministry Teams, and all your wonderful volunteer servants, as they are doing a great job in pressing forward to do ministry and to seek and do God's will during this time as well. As a church family, it is so important to walk forward in unity during these times of transition, and fervently pray for God's perfect blessing and guidance on the church's ministry, and in the calling of your Pastor Search Committee, and for their work as they start the journey of finding God's will for your next Pastor.

I look forward to worshipping and fellowshiping with you on Sunday mornings and Wednesday nights, and I encourage you to commit to being a part of every time of worship, spiritual growth,

ministry, and service available through the life of faith at FBCYC. Each Wednesday night and Sunday morning, I'll do God's best to preach and teach God's Word to you and we would love for you to join us on this journey of spiritual growth, conviction, and service. If you need spiritual guidance or ministry, call the church office and we'll do our best to help.

Lastly, let's focus on a few important ministry items. John is getting ready for Vacation Bible School this summer and needs a number of teachers and workers to volunteer for this very important ministry and outreach event. Seriously pray about serving in some capacity at VBS and see John for discussion and information. Also, small group Bible studies on Sunday nights will start on Sunday night, February 9, at 5 p.m. and there are some great studies to be a part of, including "Sacred Parenting", "Victory in Spiritual Warfare", and "Goliath Must Fall". Parents, bring your children to AWANA on Sunday nights at 5 p.m., and stay and be a part of one of these blessed Bible studies. Also, if you have not been part of Sunday School each Sunday morning, make the commitment this Sunday to start, and bring your children, students, and friends with you. If you need help locating a Sunday School class, call the church office for information. Also remember your "Who's Your One?" evangelism commitment and consistently pray for and witness to that person to lead them to saving faith in Jesus Christ and to start living in the blessing of abundant life in Christ. God bless all of you!

CHILDREN'S MINISTRY

Bro. John Yates

Proverbs 22:6; "Train up a child in the way they should go and when they are old they will not depart from it."

We are in full swing right now. I want to encourage you parents to get your kids to AWANA every Sunday night. "Hiding God's Word in our hearts" is a command of our Lord for a reason. Each and every day, your child/children face many choices and obstacles. The foundation of God's Word is that on which their lives need to be built. Please join me in encouraging attendance and study! We will start back on February 9, @ 5 pm.

It was a great start for our 5th-6th grade boys and girls as they kicked off their new book studies in January. It's not too late for your child. Bill McGraw and Missy Helton are spending time preparing and feel called to pour into your kids so don't let anything get in the way. And pray for the message they deliver.

We are all familiar with the "superstar" who upon winning the championship game gives honor and glory to Jesus. The well known singer who gives thanks to their Lord and Savior upon receiving the coveted award. These people are easy to see. Their gifts have launched them front and center. It's always wonderful to hear these stories and testimonies but what about the "little guy"?

For every "superstar" there are literally hundreds/thousands that quietly work outside the spotlight or under the radar for the Kingdom. It can be easy to see the stars and think, "I can't be used like that...what's the point?" The point is this... God created you with a purpose. Join us July 19-22. Camp applications will be located in the kids area in the Education Building.

It's that time, folks! I need your help. Our VBS continues to grow each year and we look for that to continue. If you have been a part of VBS in the past you know the amount of workers/teachers it takes to pull this off so please consider being a part of this great program. The latest statistics come from a few short years ago. In 2016 there were 59,028 recorded professions of faith. 2.4 million people were registered. Although it's certainly not all about numbers, there is no church program with that kind of results. I need teachers in all ages. Lord willing, we plan splitting our 4 year old class and our 5 year olds. Each class was filled to beyond capacity last year. That means we need 6 more teachers (3 in each class). Combine that with the 1st-4th grade (2 per class) and a large 5th-6th grade (called VBX) class, you can easily see the need. There will be training provided for all teachers on **Thursday, April 30** in the Fellowship Hall. So, I don't expect you to just "wing it." I'll provide as much help as possible. Would you consider it? Please email, call the church office, text me, or catch me at the church and let me know how you can help. Please do this as soon as possible. Each teacher will receive a t-shirt and I need to order by the end of February.

Worker's Needed!

small groups

Kickoff is Sunday, February 9, at 5pm. Take advantage of these studies and allow God to do what He desires in your life. Choose from one of the 3 following studies!

Parenting is a school for spiritual formation, says author Gary Thomas, and our children are our teachers. The journey of caring for, rearing, training, and loving our children profoundly alters us forever...even when the journey is sometimes a rough one. Sacred Parenting is unlike any other parenting book on the market. This is not a "how-to" book that teaches readers the ways to discipline their children, Sacred Parenting turns the tables and demonstrates how God uses children to change their parents.

Stepping beyond the overly-tilled soil of method books, parents can learn a whole new side of parenting. They'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent—and how their children transformed their relationship with God. The lesson the author writes about are timeless. But in this edition, Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting. Gary has found that the lessons have remained much the same, but there are new applications for the readers in this generation who are just now coming this book.

We are told to stand against the devil's tactics but what does it

really mean to put on the full armor of God? In this Bible study, Dr. Tony Evans applies God's classic strategy to our modern times.

It's likely you have a threatening giant in your life... an adversary or stronghold that's diminishing your ability to live a full and free life. Frozen in the grip of rejection, fear, anger, comfort, or addiction, you've lost sight of the

promise God has for your life. Demoralized and defeated, you've settled for far less than His best. God has a better plan for you—a plan for you to live in victory. That's why he has silenced your giant once and for all. Pastor Louie Giglio uncovers a newfound twist in the classic story of David and Goliath. He shows how the key to living free from giants is not better slingshot accuracy, but keeping our eyes on the one and only giant-slayer: Jesus. Put your hope in him, and watch Goliath fall.
